A foursome of ladies came back after a round of golf. Back in the Clubhouse, the Pro asked, "How did your game go?" The first said she had a good round with 25 riders. The second said she did OK with 16 riders. The third said not too bad since she had 10 riders. The fourth was disappointed and said that she played a terrible round with only two riders.

The Pro was confused by this term "rider." But, not wanting to show it he just smiled and wished them better golf the next time.

The Pro approached the bartender and asked, "Jerry, what in the world are riders?" Jerry smiled and explained a "rider" is when you hit a shot long enough to take a ride on a golf cart.
