December
THIS MONTH'S HEALTH TIP

Taking simple precautions for the upcoming holidays can ensure a happy, healthy time for you and your dog. Don't feed pets holiday treats or leftovers. Some foods such as chocolates, alcohol, uncooked bread dough, grapes and raisins can be life-threatening. Keep ribbons, tinsel, flower arrangements, electrical cords and holiday decorations away from pets. And don't forget about live trees; place them in a room away from your dog. To stop a Christmas tree from falling over, place a hook in the ceiling and use some nylon yard to attach to the tree. This will prevent falling over.
