

Tee-2-Green

Visit Us at Booth #3039

As the leading worldwide marketer of bentgrass, **Tee-2-Green** varieties are proven to be the finest bentgrasses for golf course greens, fairways and tees. Used on the finest public and private courses throughout the world, superintendents within the industry choose Tee-2-Green varieties such as Penncross, Penn A's & G's, Penneagle and Penneagle II, PennLinks II, Crystal BlueLinks and salt- and drought-tolerant Seaside II. For more information about Tee-2-Green, call 800-547-0255 or visit www.tee-2-green.com. During GIS, visit us at Booth #3039 to take the "Seeds of Fortune" challenge and pick up your free 2009 calendar.
