Read these podcasts only at www.golfdom.com/podcasts:

- Navigating Product Evolution and Confusion
- Research shows that many superintendents have a difficult time correctly identifying a chemical's brand with it manufacturer. Dr. Toni Bucci, the business manager of BASF Professional Turf and Ornamentals, discusses what can be done to diminish pesticide product confusion.
- Jumping Into the Golf Fray Hustler Turf Equipment President Paul Mullet talks about why the company decided to enter the competitive golf market.
