## Plant Progress

From fungicides to water management tools, plant health has never been better.

By Beth Geraci

### About the cover

North Carolina-based photographer Chip Henderson took this shot of the FarmLinks crew on No. 5.

# 32

## Like Father, Like Sons

A greenkeeper recounts growing up in a family of superintendents and pays homage to the man who started it all — his dad.

By David Littrell

# 21

## Luck Favors the Prepared

When the Senior Players Championship came calling, Fox Chapel GC was ready.

By Anthony Pioppi

## Online Exclusive
