

A Special Midsummer Price Reduction!

On all orders received for any of the PENNSYLVANIA Fairway Mowers during July and August—the time of the year when Greens Committees must face the facts of their budgets—a special discount of 10% will apply for payment within 10 days of shipment.

This special midsummer offer includes not only the tractor-drawn "New" Fairway Quint as pictured above, but, also, the tractor-drawn and horse-drawn "New" Fairway Trios and the Super Fairway Quint and Trio.

The regular prices to which this discount applies and which will again be effective without discount on orders received after August 31, are as follows: tractor-drawn "New" Fairway Quint, \$625; tractor-drawn "New" Fairway Trio, \$375; horse-drawn "New" Fairway Trio, \$400; tractor-drawn Super Fairway Quint, \$725; tractor-drawn Super Fairway Trio, \$450—all f. o. b. Philadelphia.

Prompt action is needed if you want to take advantage of these attractive special prices. Write us today and we will send you immediately full details on all of these nationally known fairway units, together with a copy of our COMPLETE GOLF CATALOG.
