

FORE A PROFITABLE CHRISTMAS

\$1.00

THE Reddy Tee Christmas Package presents the pro with the entering wedge into the big Christmas golf-gift market. This package consists of a strikingly handsome gift box full of Reddy Tees.

At \$1 a box this is an ideal gift for golfers. Every pro should sell dozens of them to members for use as gifts to friends, employees and customers.

And, in addition to the direct sales that will result from this Reddy Tee box, attention will be focused on the pro shop as a gift headquarters for golfers. Members who have previously spent thousands of dollars in sporting goods stores will buy from you instead. And with the pro discount, Reddy Tee boxes will net enough to take care of your own holiday bills—and leave a profit besides.

Send the coupon below **now** for complete details of the Reddy Tee Christmas Gift Box—the way to bigger and easier profits during the gift season.
