

The ROYER makes, and loads, compost

from wet or dry raw material with speed and economy that assure you a profit on your investment.

Jefferson, Ontario, Canada
March 31, 1930.

Dear Sirs:—

We are well pleased with our "Royer Compost Mixer." It will work under any condition of the soil, whether it is wet or stony, rough or good, and I find it excellent for a hurry-up job.

Sincerely yours,

F. J. Haynes, Greenkeeper,
Summit Golf Club.
