

THE PROOF OF A BALL IS THE PLAYING OF IT

It isn't so much what we say about the PRO ROYAL as what golfers write about it.

"It has the feel, click, and all the distance anyone would want."

"The PRO ROYAL is not only a long ball but the best acting ball on greens, and for all-'round play."

"I think your new PRO ROYAL is a peach."

"I believe the PRO ROYAL to be the finest and longest ball I have ever played with."

"The PRO ROYAL not only has distance, click, controllability, and trueness in putting, but it has durability."

The constantly increasing sale of the PRO ROYAL bears out the above statements.
