WOULD YOU CODDLE Your Greens and NEGLECT Your Fairways?

IT is a common complaint with golf courses—the sharp contrast between the luxurious greens and the threadbare fairways. Fairway irrigation is the one thing the game most needs. Working now for next year's success, seize the opportunity to make a wonderful contrast between your fairways and those of the six nearest courses. Install a Buckner Irrigation System—the operating cost of Buckner systems is the lowest of any. Write for full information. (No obligation.)
