

they certainly sell!

The "U. S." line—known to every Golfer in America—establishes new sales records with

The "U. S." line is known and favored wherever the game of golf is played. And now, leading this famous family of golf balls is a new *kind* of ball, wound with 100 per cent power thread—thread spun directly from live, liquid Latex. It is the New Spun Latex U. S. ROYAL—THE success of the year, *THE distance ball of all time*. Like all of the "U. S." line it certainly *sells*—and *keeps selling* . . . Every one of these well known golf balls should be available at your club.

THE

Spun-Latex

U. S. ROYAL

444 U. S. ROYAL—tough cover
75 cents.
