Charts are a 7x10 inches on durable paper, plus ample margins for permanent framing.

A picture speaks louder than 1,000 words!

Never before have the Rules of Golf been made so clear, concise and understandable. Almost any golfing situation likely to arise is pictured, with the applying rule conveniently alongside. Checked for accuracy by a member of the USGA's Rules of Golf committee.

Nothing but praise from purchasers. "Have never seen a better job of Rules interpretation," says Al. Wolf, Omaha, Nebr. "Will help teach the Rules to my members," writes Harry Boyer of Cincinnati. "Your charts have saved us from many arguments," says Alex McIntyre, Rexford, N. Y. "Our caddies want a set in their caddie shelter," from C. R. Bates, Chicago. "Just what we've needed many a time," says

Joseph Fungy, Farmingdale, N. Y.

Your club, too, needs these charts. Golfers will refer to them constantly to settle arguments and to post themselves on the Rules. Unconsciously, they will absorb a knowledge of the Rules acquirable in no other way.

In most clubs, three sets of charts are recommended, to be framed and hung permanently in these key locations: (a) the men's locker-room, (b) the women's locker-room, and (c) the golf shop.
