Read what they write:—"Since we received our first shipment and suggested a trial among our better golfers, U. S. Royal has outsold all other makes seven to one. It is a sweet clicking, long sailing, true putting sphere of oil-rubber and conscientious workmanship."—*A Country Club in California*. "Played your new Royal in the Senior's Tournament at Sarasota and liked it very much. Has a fine click and distance and a good feel."—*A New York Golf Professional*. "Professional A and Professional B equalled their entire 1940 U. S. Royal sales by April first. They have both switched to the new Royal."—*A Report from San Francisco*. "I find you really have a great ball—the tops in golf balls."—*From a Tournament Professional, New Orleans*.
