*Chicago,
Illinois.*

“Are your fairways piped with cast iron?” A fair question from any assessment-shy prospective member. Cast iron pipe serves for a century — requires no upkeep—eliminates interruption of play due to repairs. The first cost is the last cost. Available in sizes from 1¼ inches. Address inquiries to The Cast Iron Pipe Research Association, Thomas F. Wolfe, Research Engineer, Peoples Gas Bldg., Chicago.

CAST IRON PIPE

The Standard Material  *for Underground Mains*
