TO THE BALL

Have you received your Spring allotment of the new U.S. Royal Golf Balls?

Our pre-war stock is being systematically rationed to all Golf Professionals and all Clubs.

If you haven't yet received your share, don't delay another day.

## KEEP 'EM ROLLING WITH OUR NEW WAR-TIME RE-PROCESSING PLAN

Keep 'em rolling on the green — flying down the fairway — keep the game going — keep your members active — save rubber — save golf balls.

Ask your U.S. Golf Ball representative about the "U.S." War-time Re-Processing Plan. It will help golf, golfers, and make more business for you.
