Now, as never before, championship quality counts, because the present available stock of golf clubs plus those now in the hands of your players, must serve for the duration.

True Temper Step Down-Golf Shaft of Champions - will prove its worth because, with proper care, it will continue through years of hard service to win in every test.

It is up to America's professionals to provide members with a plan for repair and upkeep of their playing equipment so that it will continue to serve well until victory is ours.

Now is the time to contact every club member and offer these services which only the professional is equipped to render.

golf ball dept. head, that all balls reprocessed by the company will be graded and named on the basis of playing perform-ance, appearance and service tests, rather than on original selling price and brand name.

After rigid factory tests, Sproul ex-plains, ball will be branded with well-known U. S. names—grade 1 with "Royal," grade 2 with "Three Star Royal," grade 3 with "Fairway," and grade 4 with "Nobby."

With this year's caddie supply sharply With this year's caddie supply sharply focused on youth in the 16-year old, and under, bracket, manufacturers of Kaddie Karts, 105 N. Clark St., Chicago, report the heaviest early season demand in the history of their business. "The difficulty is," say the makers, "this unusually heavy volume of business is coming into us at a time when our limited supply of Karts is rapidly dwindling. Therefore, in fair-ness to all clubs, we are filling orders on the basis of first come first served. In previous years the percentage of private previous years the percentage of private clubs offering Kaddie Kart service was small compared to their widespread use among the municipal and daily-fee courses.

"Last season, and even more so this season, the private clubs awakened to the son, the private clubs awakened to the timely utility of Kaddie Karts with the result that we now are shipping them to many of the most prominent private clubs in the country. As officials have pointed out, with this year's crop of caddies considerably smaller, players have been re-luctant about burdening the little fellows with their bags. Kaddie Karts have solved the problem in. not only over-coming the objection to overloading the youngsters but in materially aiding the improvement of their service."

Graham Johnston, manager of North British Rubber Co., anounces removal of showrooms and offices from 22 Park Place to 480 Lexington Avenue, New York City. With golf balls to sell, Johnston has as-sembled an interesting line of golf-shop items to offer the pro trade.

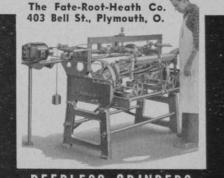

J. S. Clapper, for 29 years president of the Toro Manufacturing Corp., Minne-apolis, retired March 25 to assume the duties of chairman of the board. H. Clay McCartney, formerly sec'y-treas. of the company, was elected president by Toro's board of directors. Both Clapper and Mc-Cartney were among the original founders of the company in 1914. At the same board meeting, Kenneth E. Goit was elected secretary. He will also continue his former duties as sales and advertising manager C E Ostherg

and advertising manager. C. E. Ostberg,

# WATCH FOR THIS MAN

A subscription solicitor operating variously under the name Jim Carlyle, J. Brice, J. Bunce, etc., has been victimizing golfers with fake subscrip-tions to GOLFING Magazine. He keeps all money he collects. He has no authority to sell these subscrip-tions, since GOLFING employs no solicitors.

If you hear of this man, notify your local police that there are several warrants out against him and that the Wm. J. Burns Detective Agency should be notified. Or telephone GOLFING, Harrison 5941, Chicago, reversing the charges.

formerly assistant treasurer, was elected assistant secretary. Toro, in peace time a leading supplier
