Don't let this happen  
to your club—

It has happened to some clubs—it may happen to others.

You can't run a golf club without golf.

You can't play golf without golf balls.

You can't get golf balls unless you and your members turn in old golf

balls for reprocessing.

You have no alternative. Keep on collecting and shipping them.

Let "U.S." reprocess them the selective-grading way. We will test them—determine their playing quality and mark them with these nationally known brands.
