

## Golf Balls must be **CONSERVED!**

Here's the situation as of July 1944.

No new golf balls made in '43—none in '44, and old golf balls are the only source of supply in sight for 1945. Conserve every golf ball you can to assure your future stock. We are reprocessing old ones as fast as manpower

limitations allow. Keep the old ones coming to us...we will do our best.

"U. S." reprocesses them the selective-grading way—tests them—grades them according to their playing qualities and marks them with these nationally known brands—

**U. S. ROYAL • THREE STAR U. S. ROYAL  
U. S. FAIRWAY • U. S. NOBBY**

Used golf balls from New England, New York, New Jersey and Eastern Pennsylvania should be shipped to U. S. Rubber Company, Golf Ball Department, Providence, Rhode Island. From all other points, ship to U. S. Rubber Company, Golf Ball Department, 440 West Washington Street, Chicago, Ill.
