

What will they play

at your club—

ping pong?

croquet?

or GOLF?

Your members can't play golf without golf balls—that's certain. They look to you as the miracle-man to supply them.

Only thing you CAN do and MUST do to keep golf going at your club is to collect every used golf ball you can get your hands on and rush them to "U. S." for reprocessing.

We will reprocess them the "U.S." Selective grading way—test them and mark them according to playing quality with these well known brands:—

**U. S. ROYAL • THREE STAR U. S. ROYAL
U. S. FAIRWAY • U. S. NOBBY**
