

JUST A *Beautiful* GOLF COURSE  
*... isn't enough!*

To be successful, the golf club of tomorrow  
must be operated on a strictly business basis.  
NOW is the time to get organized for  
achieving peacetime prestige and leadership.

*( While AGF activities are partially curtailed by the  
war, we will be glad to help you with any problems  
of golf club management within our present scope. )*
