YOU'VE BEEN  
WAITING FOR!

The New  
Springfield Clubs  
with the  
**Two-Action\* Shafts**

They're the "talk of the fairways" . . . these new, registered Springfield Clubs with the Two-Action\* Shaft. And there's a reason! The Two-Action\* Shaft is advanced in design . . . new in principle! Result: more power . . . more control . . . plus the "sweet feel of hickory" for a new adventure in golf!

The Two-Action\* Shaft is the first major improvement in club design since the introduction of the steel shaft. Better place your Pro Shop order now for these longer-driving, sweeter-feeling Springfield Clubs. They're in production—but order now for early delivery!
