

SERVING THROUGH SCIENCE

It's A Hit

FROM COAST TO COAST

June first we gave you the NEW U. S. Royal . . . the first real rubber golf ball since Pearl Harbor.

Then came the avalanche . . . orders . . . telegrams . . . phone calls . . . thousands of 'em . . . all chanting the same theme-song . . . "Best postwar ball yet produced."

We knew we had it . . . but not in quantity . . . so we just did the best we could to share the supply. Thanks for your patience . . . we hope to do better on deliveries next year.
