We said "U.S. Royal is a great new golf ball." It's confirmed! Thousands of players think it's the best ball they've ever played—even better than the pre-war U.S. Royal.

Long off the tee—right feel—sharp click—long-lasting white paint—durable "Cadwell-Geer" covers.

Please buy only a week's supply at a time. Production is still very limited, due to material shortages and other limitations. But we'll do our best to keep as many U.S. Royals as we can rolling your way.
