

POWER-PACKED FAIRWAY

Drive...

THE *Center* OF ATTRACTION

Center of attraction on the nation's fairways are the new *Springfield Clubs* . . . history-making woods with harder-hitting *Celcon† Plastic* clubheads . . . *Two-Action** Irons with the sensational *Two-Action** Shaft.

From Lake Louise to Florida — from Maine to California — the reports are enthusiastically the same: *Springfield Clubs* suit golfers to a "tee" with the modern thrills in golf. Recommend *Springfield Clubs* to your members for a "lift" in playing pleasure.

*Patents Pending
