

## *Are you over the hump?*

Or have high maintenance costs got you in the hole? With wages on golf courses still going up, there's one practical way you can get over the hump on labor cost problems... and that's with *labor-saving machinery*.

The Toro Professional 76-inch power mower can do the work of three

to five men with ordinary power mowers... or the work of at least fifteen men with hand mowers. You can ride it along terraces... down in ditches... over humps... across the flats *and mow a beautiful 76-inch swath all the way!*

Golf course superintendents report the Professional pays for itself *in less than a season* through labor costs saved.

Check your requirements NOW... possibly you can enjoy these same savings.

*For More Effective  
and Economical*  
**TURF MAINTENANCE**  
*Seed and Fertilize in  
ONE OPERATION*

By utilizing MILORGANITE — natural organic fertilizer — as a carrier for grass seed, mixing the two together in properly balanced ratio (about 5 lbs. of seed to 40 lbs. of MILORGANITE under average conditions) — you can *seed and fertilize*, all in one operation.

Aside from the saving in time and labor that this represents, it also insures more uniform distribution of seed. The MILORGANITE gives grass an earlier, healthier start, and sustains growth throughout the season.

MILORGANITE is also the best carrier for applying 2,4-D, DDT, chlordane, etc., for controlling weeds, grubs, chinch bugs, ants and other pests.

Write to our Turf Service Bureau for detailed data pertaining to this newest method of Turf Maintenance. For best results . . . fertilize with MILORGANITE.

**THE SEWERAGE COMMISSION**  
MILWAUKEE • WISCONSIN

The card advises that it's the club's 50th birthday and Jim's 30th year on the job at the club.

Ridgemoor CC (Chicago dist.) recently held its fourth annual party for disabled veterans from Hines (Ill.) VA hospital. . . Clubs and balls were furnished for the kids who could play the course or putt . . . The affair finished with a dinner at the clubhouse. . . Ridgemoor members kicked in for buying clubs and balls for use at the Hines and Great Lakes Naval hospital courses. . . Veteran golf writers O. B. Keeler and Grantland Rice are ill.

Hermitage CC, Richmond, V., had a field day and gala dinner celebrating 20th year at the club of its great old Scotch-born pro, Tommy Galloway. . . Club presented Tommy with a \$2500 bond. . . Hermitage will be scene of 1949 PGA championship. . . Great growth of public courses in west and south reflected in entries at 1948 Public Links championship at Atlanta. . . 1949 Publix will be played at El Rancho, Los Angeles, which is just being finished. . . Seneca course at Louisville, Ky., will be host to 1950 Public Links championship.

Looks like Texas will continue turning out stars. . . Don Addington, 17, Houston.

# "SWELL DAY — SWELL GAME"

— now for a Swell Shower"

And when the members are in this *swell* mood, it had better be a *swell shower* — or you're going to hear — and hear plenty — about it. No member likes to have an otherwise perfect day spoiled by a shower that unexpectedly runs ice cold or scalding hot.

Assure a "perfect" shower for your members by installing Powers thermostatic shower mixers. Powers mixers promptly deliver water at the desired temperature without wasting hot or cold water or time. Temperature of water will remain constant wherever set. Do yourself and your club a favor . . . have your plumber install Powers mixers NOW!

## Protect Greens, Shrubbery, Trees . . . SPRAY the IRON AGE WAY

GREENS keepers praise the low-cost protection they get from Farquhar Iron Age Sprayers on golf greens, shrubbery, bushes, trees. Especially designed to spray areas inaccessible to large wheel and truck-mounted sprayers, these handy machines are ideal for economical general-utility work around any size golf course.

Shown here is an Iron Age Sprayer, equipped with a 4-gallons-per-minute pump, protecting golf greens. The famous Iron Age Pump delivers the constant high pressures needed for thorough penetration. This unit can also be used for weed control, whitewashing buildings, disinfectant work or fire protection.

Farquhar builds Iron Age Sprayers in various types, sizes and pump pressures to meet all requirements.

Allman, formerly U. of Penn. wrestler and now successful Philadelphia businessman, qualified for the blind national championship with 134 over Whitemarsh's 6,670 yds. . . Double par on home course is standard qualifying procedure for the blind championship. . . Allman drives from

## See What the EZZE FLOW Is Doing For Golf Courses

### EZZE FLOW and Only EZZE FLOW

**Spreads Any Fertilizer . . .** even damp sewage sludge and hard, lumpy nitrate and mixed fertilizers.

**Sows Grasses . . .** Blue Grass, Red Top, Bent Grass, Orchard Grass, Clovers at rates adjustable to a few pounds per acre.

**Spreads Chemicals . . .** Calcium Chloride for parking areas and drives; arsenate of lead and other powdered insecticides and weed killers.

**Mixes Materials . . .** Balance your own fertilizer formulas; spread loam, compost, sand, top dressing, etc.

An EZZE FLOW Fertilizer Spreader and Seeder will save you time, fertilizer, chemicals, seeds and money. The 8-foot golf course model spreads uniform applications (no more rank or bare spots) through 32 ports at any rate from a few pounds of grass seed up to a ton of fertilizer per acre. Helical agitator action pulverizes materials, mixes hopper contents and feeds even flow to micro-shutter ports. Cams, moving through slots in hopper bottom, push material through ports in steady, non-clogging flow. Gives years of trouble-free one-man operation at speeds up to 10 miles per hour. In use on many finest courses. Available for immediate delivery. Performance guaranteed or money refunded. Write us or ask your golf equipment dealer.
