

**THE
FERGUSON**

NIGHT CRAWLER

----- Green Aerifying Machine -----

Fast -- Efficient Economical

Production and delivery of Night Crawler aerifiers are proceeding according to schedule. The current engine supply problem is solved and demonstrating machines are in the hands of or enroute to many dealers.

Ask your equipment supplier for a demonstration of the Night Crawler—see it hollow time 2,000 square feet per hour — with its STRAIGHT-IN, STRAIGHT-OUT ACTION. Definite plugs are removed at 2 3/4" spacings; sweep the surface and it's ready for play.

FOR BETTER GREENS — THE NIGHT CRAWLER

keep your mowers rolling — their bed knives razor-sharp

with a

Grinder You can afford

Attention Golf Clubs, Parks, Cemeteries!
Whether or not you do your own grinding, you can avoid delays and increase the service life of every mower with the Model 50 Bench Grinder. Reels can be lapped in several times between complete grinding jobs when the bed knives are kept properly ground on the Model 50. The price? Hard to believe . . . but true! Never has a machine like the Model 50 come anywhere near this low cost. Perfect companion to the famous PEERLESS MOWER SHARPENER. Write today for descriptive bulletin.

CADMINATE*

the Sure Cure for...

**DOLLAR SPOT
COPPER SPOT
PINK PATCH**

Two years of research and country-wide tests prove CADMINATE the best preventive-and-cure:

A **true** cadmium compound • **Safe** — does not damage or discolor turf
• **Fast-acting** — cures in a few days • **Easy-to-use** — just spray it on • Handy
½-oz. packets prevent waste; also in bulk • **Very economical** — just ½ ounce
protects 1000 sq. ft. a full month; same dosage repeated two or three times
at five- to seven-day intervals will quickly cure badly damaged areas.

PREVENTION PAYS! Protect your greens all season with
regular monthly CADMINATE sprayings. For snow mold
and brown patch protection use CALO-CLOR®.

All-American
Picnic Grill

American Approved Combination Unit

Unsurpassed IN DESIGN, PERFORMANCE AND SAFETY

It's the *plus* factor that makes American the most respected name in the Playground and Swimming Pool Equipment field. First, plus in *design*. American has never been content with servile copying of existing equipment; we have pioneered in design advances. Next, plus in *performance*. American has always built equipment to endure; there has been no compromise with inferior materials or corner-cutting production methods. Finally, plus in *safety*. No manufacturer is more aware than American of responsibility for safety—and that awareness justifies your faith in *all* American equipment. The *plus* factor extends to our dealings with customers. You will find American pleasant to deal with, equitable in adjustments, and eager to protect an enviable reputation nearly half a century old.

SANDY MACTHRIFT SAYS:

You get a new approach to low cost golf course irrigation

... when you install TRANSITE PIPE

More and more greenskeepers are using this thrifty asbestos-cement underground pipe to assure high sprinkler coverage, at low cost, for every green and fairway ... and to save in these other ways, too:

Thrifty on installation—Transite's light weight cuts handling costs; its quickly assembled Simplex Couplings speed installation. Your irrigation system is ready to use in a minimum of time.

Thrifty on pumping—Non-metallic, Transite Pipe does not corrode internally to retard water flow. Its smooth interior assures high flow capacity, helps keep pumping costs low.

Thrifty on water—Transite's factory-made Simplex Couplings provide tight, flexible joints that stay tight in service, safeguard against costly underground leakage.

Thrifty on maintenance—Because Transite underground mains are rustproof, highly resistant to soil corrosion. Thousands of installations in water supply systems throughout the country testify to the dependable, economical service you'll get when you install a Transite Pipe irrigation system.

For complete details, write for folder TR-97A. Just use the coupon below.
