Those charming wonder kids, the Bauer sisters, join the Spalding organization to travel in promotion work. As the sisters became members of the Spalding family the line-up at the signing ceremony was, left to right: Marlene Bauer, L. E. Coleman, Spalding vp in charge of sales; Matt Kiernan, asst. vp; Alice Bauer, Papa Dave Bauer and Mama Bauer.

weight. A popular choice with men as well as women. Handle easily adjusts to any height and the universal bracket fits either standard or pipe-organ type bags. Outstanding feature of the Deluxe K-Kart is that by loosening only one nut, it may be collapsed to fit, complete with bag, into any average golf club locker. The Deluxe K-Kart is manufactured by Kunkle Industries, 2358 Clybourn Ave., Chicago.

### OLD ORCHARD ADDS 3 NURSERIES

Old Orchard Turf Nurseries, Madison, Wis., announce the opening of three new branch nurseries at Sebastopol, Calif., Winnsboro, Tex., and Atwater, O. The Old Orchard strain of creeping bent grass will be grown at Sebastopol, and Atwater, and the Arlington strain at Winnsboro. These are added to the branch nurseries at Slocum, R. I., where the Arlington strain is also grown, and the Farmington, Ia., nursery growing the Congressional strain and the mother nursery at Madison, where both the Old Orchard and Arlington are grown.

Ralph R. Bond, owner of The Old Orchard Turf Nurseries, states that all nursery stock is true to strain as it comes

from the mother nursery at Madison, Wis., and that all stolons are guaranteed to be fresh, virile stock and less than one year old. The crops will be ready for harvest around September first and with no increase in price. All correspondence is to be made to the main office at Madison, Wis.

Perma-Plating Co., Valley Stream, N.Y., have a method of coating with metal a golf ball prized by the owner as a memento of a hole-in-one, match victory, or other sentimental reason. Finished in bronze, silver or gold, the ball is then mounted on an attractive base which provides space for appropriate engraving. Pros interested in this service for their members should write Perma-Plating Co., for details.

### PHOTO ANALYSIS SYSTEM OFFERS CLUBS ACTION PHOTO SERVICE

A Chicago firm known as Photo Analysis Systems has been experimenting for the last two years in perfecting a system of taking action photographs of a golf swing to bring out the full detail of the action so it can be analyzed and yet keep the cost

within reach of the average golfer. After a six month's trial results show that faults in the swing can be corrected easier after the individual sees his own mistakes and teaching professionals recommend the photo analysis system as a corrective aid for beginners and experienced golfers.

Photo Analysis is not a novelty. It is a series of 25 4x5 inch photographs taken with a high speed camera showing 25 different positions of each individual swing. Photographs are processed at the course in

a portable developing laboratory maintained for this purpose and the analysis is delivered to the golfer the following day.

Photo Analysis Systems has a modern laboratory unit with experienced personnel ready to serve golf and country clubs anywhere. There is no guarantee or minimum charge made. All arrangements are made directly with the club professional. Clubs with members desiring this analysis service should write Photo Analysis Systems, 53 West Jackson Blvd., Chicago, Ill.

## MAKING THE SWING

(Continued from page 21)

hold June meeting at Chagrin Valley . . . First time in 15 years a greenkeeper's meeting at that club . . . Willie Hunter, whose two sons have been very active in amateur golf, writes in Los Angeles Athletic Club Mercury that well financed amateur golfers have such a tremendous financial advantage over other competitors, "it would seem that the USGA, for the good of amateur golf promotion, would permit member clubs to help deserving young players of national calibre." . . . Willie, veteran pro at Riviera CC (LA dist.), learned plenty about the shrinkage of the amateur golfers' dollar while he was paying the bills for his two fine lads.

Motor City (Detroit) Open at Red Run GC has \$1500 for Michigan pros added to \$15,000 purse . . . All concessions have been contributed by tournament promoters and club to Royal Oak, Mich., civic enterprises . . . Parking, food and beverages on course, operated for benefit of Boy Scouts, church women's organizations and local recreation fund . . . Big automobile show, introducing some new models, at Red Run during the Motor City Open.

Al Zimmerman, Alderwood CC, Portland, Ore., pro trying to revive interest of those old World's Championship matches with US and British National Open and

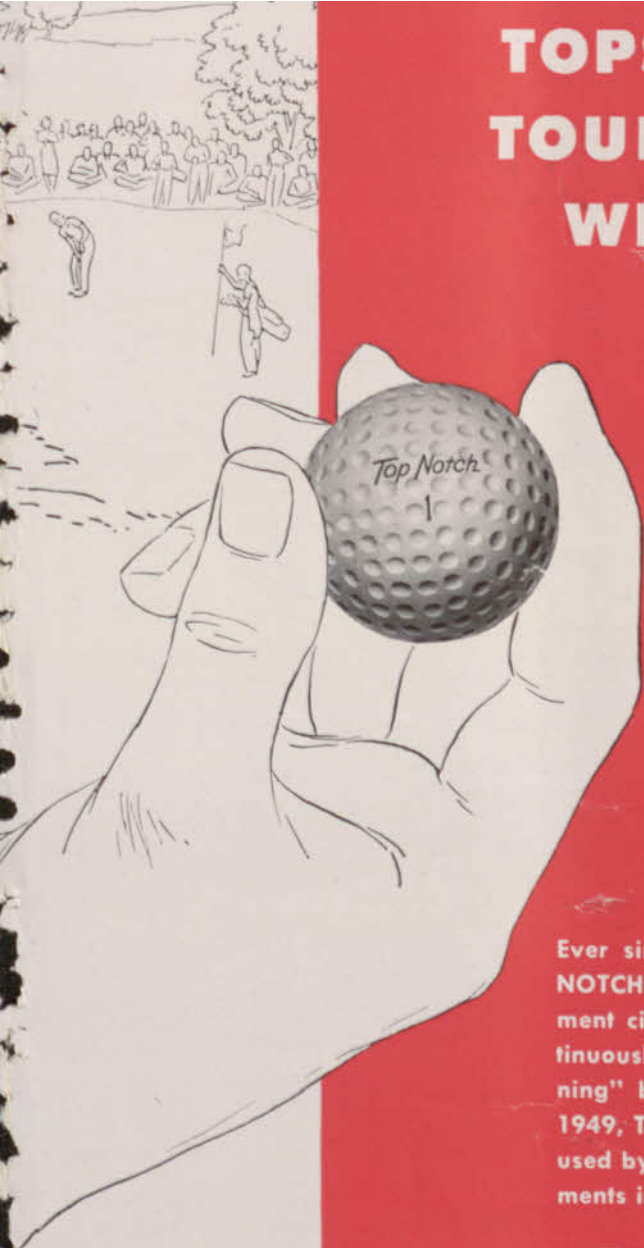

PGA champion competing in series of matches to determine who's champion of champions. . . . Crowded tournament schedule probably would prevent the show-down.

Joe Novak's book "Par Golf in 8 Steps" already in sports best seller class. . . . Prentice-Hall, Inc., publisher of the Novak book, spending \$10,000 in national magazine and metropolitan newspaper advertising campaign on the Novak volume. . . . It's going very well in pro shop sales, too. . . . The book is about as strong an educational job for pro instruction as it is for the Novak system.

Dave Foulis, 82, died at Wheaton, Ill., June 11. . . . He came from St. Andrews in 1894 and joined his brother Jim at Chicago CC where Jim was pro. . . . Their clubs bearing imprint of J & D Foulis were works of art. . . . Dave stayed at Chicago CC as pro 21 years, then alternated for a year between Riverside CC and Elmhurst CC as pro. . . . In 1917 he went to Westward Ho as pro for six years then went to Hinsdale GC from which he retired after 20 years. . . . Dave is survived by his son James, pro at LaGrange (Ill.) CC; his daughter Jessie, his sister Annie, and his youngster brother, Simpson, a Chicago banker. . . . No finer gentleman sportsman than Dave ever lived. . . . Thousands of golfers in the Chicago district and elsewhere feel a keen personal loss in the passing of this splendid pioneer of American golf.

**TOPS AMONG  
TOURNAMENT  
WINNERS**

# **WILSON TOP NOTCH**

Ever since the big swing to Wilson TOP NOTCH began on the 1948-49 winter tournament circuit, this great ball has been continuously in the winner's circle. The "winning" ball in most major tournaments of 1949; TOP NOTCH continues to be the ball used by the winners of most major tournaments in 1950.

## **SEEING IS BELIEVING!**

Hundreds of thousands of golfers have eye-witnessed the remarkable distance performance and accuracy of the TOP NOTCH ball in America's major golf events. There can be no more positive or convincing demonstration of matchless golf ball performance. TOP NOTCH, the No. 1 tournament-winning ball, is sold through Golf Professional Shops only.
