THE GREENS ARE THE FOUNDATION OF ALL SUCCESSFUL GOLF COURSES

A new model of the Peerless sharpener is being developed and will be announced thru GOLFDOM as soon as it is ready for the market. Production of the Ideal mower sharpener and Ideal bed knife grinder is continuing to the fullest extent allowed by available materials.

Thos. F. Root, F-R-H adv. mgr., says:

"The new Peerless sharpener will be as far advanced over the old Peerless as the new Ideal is over the old Ideal. We are trying many new ideas in the experimental models of the new Peerless and it may be a year or two before we have it in production. We intend to make it the finest, most accurate sharpener available."

BALL PAINTER FOR SHOP SALE

A golf ball paint produced by Federal International Co., 50 New Street, New York 4, has been packaged in an aerosol dispenser and by simply depressing a valve button, sprays a new coat on any golf ball. The paint dries in a few minutes, permitting removal from the special golf ball holder and another ball set in place for a "face-lifting" job. A twelve ounce dispenser will cover over 50 golf balls. Pros believe it may become a good seller for practice ball painting and at pay-play courses.

REEMELIN APPOINTED SALES MGR. FOR COLDWELL-PHILADELPHIA

The appointment of Ben Reemelin as sales mgr. for Coldwell-Philadelphia, a Toro subsidiary, has been announced by Robert W. Gibson, vp in charge of sales for Toro Manufacturing Corp. Reemelin, who has been with the company since 1946, was formerly in charge of dealer sales for Toro.

TENNIS COURT TURF MAINTENANCE PAMPHLET AVAILABLE

"Tennis Court Turf Management Practices and Notes on Maintaining Grass Courts" is the title of a pamphlet compiled by H. Alfred Langben and published by the United States Lawn Tennis Association, 120 Broadway, New York 5, N. Y., which contains material of great practical value for clubs and members who have grass tennis courts to maintain. Information on turf management practices is compiled in chart form. Material included in the chart and information contained in the notes are the result of a full year of study by Langben. Acknowledgments are made to O. J. Noer, Dr. Fred V. Grau, John C. Schread and John G. Matthyse for their help in preparation of the pamphlet. Copies are \$1.00 each and may be obtained from the U. S. Lawn Tennis Assn.

Front Cover: This was the crowd in front of the Scioto CC clubhouse, Columbus, O., during the 1926 National Open when Bob Jones won his second National Open title. Bob had won in '23 and finished second in '24 and '25. This crowd at Scioto looked so big, solvent and lively to us we decided golf was due to become a big business. Then we started the planning that resulted in GOLFDOM's birth, in February 1927.

Hugh Egan, U.S. Junior Chamber of Commerce sports director, announces 7th annual National Jaycee Junior championship for Eugene (Ore.) CC, Aug. 11-16, 1952 . . . Contestants will be housed at University of Oregon . . . Local and state qualifying events will start early in July . . . 42 states and DC were represented in Jaycee championship at Durham, N.C. this year.

Paul Schurtz Wins National GCSA Tournament at Purdue

Rain and overcast skies greeted the hardy souls who teed off in the first rounds of the 10th annual tournament of the Golf Course Superintendents Assn. played on the South Course of Purdue University, Sept. 10-11.

Mornings of the two days were devoted to inspection of test plots on the course and at the experimental farm by the near 100 superintendents from 11 states on hand for the meetings and the tournament.

Paul Schurtz, Scioto CC, Columbus, Ohio, took low total honors in the first round of play with a 70 and finished with a 79 to win the top spot with a 149. Jack Thompson, Tippecanoe CC, Canfield, Ohio, was runner-up with 77-73—150.

The team of Jack Thompson, Jim McGunigal, Mike Sopko and Mike Matteo took home the team championship for the Cleveland District.

GCSA president, Wm. H. Johnson, Griffith Park Courses, Los Angeles, presented an unusual array of prizes made possible by the fine work of chairman Carl Bretzlaff and his committee.

Even one "lame duck" iron
can ruin the rhythm
of your game!

Get the most out of
EVERY IRON SHOT
this EASY way!

If your set of irons contains one or more clubs that never feel just right, that you can't play with complete confidence, you can't expect to improve your iron game very much.

But with a set of Wilson Top Notch Dyna-Weight Irons it's easy because every Dyna-Weight, from No. 2 right thru No. 9, *has the same sweet feel* . . . every Dyna-Weight a club you just *know* you can play well.

And it's all due to the weight distri-

bution and balance provided by the revolutionary Dyna-Weight principle.

Snead, Mangrum, Ferrier, Middlecoff, of the famous Wilson Advisory Staff, or any of the many other great stars who use Top Notch Dyna-Weights, will tell you, "One round with Dyna-Weights and you'll never be satisfied with any other irons." See and compare these sensational irons at your Pro's shop now.

It costs no more to sell the best, and it pays better.

Our heartiest congratulations to Golfdom upon its 25th anniversary. It has played a valuable part in the advancement of golf in America. It has carried Wilson equipment news to Golf Professionals all those 25 years. Best wishes.
