Bob, Jr. covers New Jersey for Wilson. Leo McNamara, scion of one of the finest of the pioneer homebreds and one who was with Wilson for many years, covers Westchester and lower Connecticut. Leo, by the way, has a remarkable collection of old clubs and balls and other items of golf historical interest.

Beattie counts himself very lucky in having Jimmy Blassi as his assistant, a responsibility Blassi also filled with Bob Haggerty, Sr. Blassi has been in charge of all the inside work for Wilson's N. Y. pro department. Beattie, the salesman and the pros in the territory say that if Blassi hasn't got the answers the answers ain't.

Blassi's assistant is Wes Cornetta, a baseball star who is rapidly learning the pro golfers' problems and their solutions.

Bob Slocum, a golfer since his caddie days, came to Wilson after service in the Air Force and graduation from Ithica college. Bobby Cordiano, a Brooklyn lad, came with Wilson when he got out of the Army. Cordiano was educated by the complete inside treatment, coming up from shipping room, stock room, office and floor selling jobs to take over the Long Island beat, succeeding Beattie.
