SWINGING AROUND GOLF

(Continued from page 79)

(Wis.) CC . . . Jim Gourlay now pro-supt.-mgr., Mt. Pleasant (Ia.) CC . . . Russell Broman from Janesville (Wis.) CC to Maple Bluff CC, Madison, Wis., as mgr.

Beautiful tributes to Bob Harlow in columns of Merrell Whittlesey in Washington (D. C.) Star, Herbert Warren Wind in Sports Illustrated and a lot more of the fellows who were pals of the beloved Bob . . . Whittlesey suggested that USGA Seniors' trophy for the event to be inaugurated this year and for which Harlow vigorously campaigned, be named in Bob's honor . . . Action begun on this idea was halted in favor of action on Carolina pros' proposal that annual Harlow memorial award be made to the club "pro of the year."

A. D. Stein, Jr., has bought Bridgton (Me.) Highlands GC and will operate it . . . Paul Hahn cutting William Tell act from his trick shot show . . . Says some people got so scared about the Hahn per-

formance of driving a golf ball from a tee held in a girl's mouth they told him their nervousness reduced their enjoyment of the rest of the Hahn exhibition . . . The beautiful girl who started that act with Paul and has teamed in it thousands of times is Mrs. Hahn . . . He didn't dare damage her pretty teeth.

Chet Nelson, owner of Ingleside course on which Pan-American Open in Los Angeles area is to be played toughened the course with new bunkers and tougher rough . . . Plans for \$111,300 clubhouse remodeling and new maintenance building of Flint (Mich.) GC in attractive booklet presenting program to members.

Good tip for golf writers planning 1955 feature comes from Bergen (N. J.) Evening Record Week-End Magazine . . . In it Kenneth G. Wallace described his choice of 18 best holes on Bergen County courses . . . Three-page feature strikingly illustrated by 6 photos by Gordon L. Corbett . . . Selections of finest 18 of any district courses always interesting to the area's golfers.

Wilson

Sales Suggestions by Wilson
No. 1 in a new series defining the major selling
points of Wilson pro-line golf equipment

Dyna-Weight Irons

Twice the power-hitting area on the face . . .
more consistent accuracy and greater distance for your members

Constructed to help you sell

This 6-fact sales demonstration offers visual proof of how Wilson Dyna-Weights help put the golfer's full power consistently on the ball. For outstanding design reasons such as these, Wilson golf equipment is easiest to sell. Stock Wilson . . . and profit. Sold through professional golf shops

PLUS...

- 1** The great new Rocket shaft by True Temper. Concentrates "feel" near club's head, supplies extra head "kick."
- 2** Precision balance. Gives uniform "feel" for finer shot control.
- 3** Finest edge-folded calfskin grips. Specially treated for lifetime tackiness. Keep hands solid at impact in any weather.

Wilson

. . . world's largest manufacturer
of sports equipment
