It won't be long now until the leaves are on the trees all over the country and the tournament pros as well as the vast majority of paying amateurs can play minus their long underwear. Then we'll see pleasant sights such as this one of Cary Middlecoff when he was pitching to the sixth green at Wykagyl CC, New Rochelle, N. Y. during a Palm Beach Round Robin.

Sales Suggestions by Wilson
No. 3 in a new series defining the major selling
points of Wilson pro-line golf equipment

Strata-Bloc Woods

Maintain constant weight and "feel"...
assure true club faces for increased accuracy!

Wilson Top Notch

1 Crisscrossing wood plies eliminates grain. Produces heads that can't swell, shrink, warp or split...

These 6 facts make
STRATA-BLOC the
best buy in golf!

- 2 So Wilson Strata-Bloc heads are impervious to moisture, dryness and hard hitting.
- 3 Since club faces can't distort, vital face bulge and roll never change...
- 4 This means full power is always delivered at impact.
- 5 Payoff comes in extra distance... and increased accuracy.
- 6 With uniform weight and "feel" assured, Strata-Bloc woods boost consistency—lower scores.

Plus...

- Great new True Temper Rocket shaft. Concentrates "feel" near club's head, supplies extra head kick.
- Precision balance. Gives uniform "feel" for finer shot control.
- Finest edge-folded calfskin grips.
- Wilson face inserts and stampings—always outstanding in eye-appeal.
