IHC Develops Two Layers for Plastic Pipe

Two new cable layers, designed for fast laying of cable or plastic pipe, have been developed by International Harvester Co. The No.

1 direct-connected cable layer is designed for use with Farmall and International tractors with two-point fast-hitch. The No 10 is a trailing type unit for use with tractors having 50 to 80 drawbar hp. The cable layer is a subsoiler standard mounted on a special cable laying structure. A spool of cable or pipe is threaded through porcelain-lined rings down through a specially constructed tubing on the rear of the subsoiler standard. The cable is fed out 4 ft. behind the standard which is then lowered into the ground with a forward motion to a depth of 23 ins. Covering isn't necessary as the slit made by the standard closes behind in a matter of a few hours.

Two Bulletins Describe Royer Shredder Series

Royer Foundry & Machine Co., 175 Pringle st., Kingston, Pa., has released two bulletins describing its complete line of shredders for "hand-shovel" and tractor-bucket fed operations. They can be obtained by writing the company. Bulletin NS-59 covers hand-shovel shredders of which there are three models of from 5 to 12 cu. yd. capacities. Model 8 is completely new and 10 and 12 have been redesigned. All three are portable and have either built-in electric or gasoline motors. Bulletin S-59 describes shredders for mechanically-fed operations. The three models in this series have from 20 to 150 cu. yd. capacities, are portable or stationary and equipped with either electric or gas motors.

13 Women Pros Help on Munsingwear Design

Thirteen members of the Ladies PGA are now serving as members of the newly formed Munsingwear Women's Sports Advisory board. They are assisting in design of golf shirts for women and wear the Munsingwear "Tee Timer" shirt in all tournaments. This new shirt is a duplicate of the "Grand Slam," worn by male players. The free-swing, underarm action gusset that gives unrestricted freedom of movement is a feature of both models.

Spalding Nets 45c a Common Share in First Half Fiscal Year

A. G. Spalding & Bros., Inc. for the six months ended Apr. 30, 1959 had net earnings of \$308,000 or 45 cents a common share. This compares with \$318,000 or 46 cents a share for the same period of 1958. Profits before income taxes were \$680,000 in 1959 as contrasted with \$750,000 for the 1958 period. Taxes on income in the first half of the 1959 fiscal year were \$325,000 against \$385,000 in 1958. This interim report is subject to any necessary year-end adjustments, taking of physical inventories and annual audit.

Ragan Gets Harkins' Cheers

When young Dave Ragan broke through to win his first tournament, in the Eastern Open, in June, the loudest cheers were heard in Chattanooga, Tenn. They came from Jack Harkins, pres. of First Flight Co. there. Ragan was playing the First Flight steel power center ball and the Personalized First Flight clubs.

Golf Car Trailer Built for Handling Ease, Safety

Golf Car Trailer Sales, PO Box 4221, Ft. Lauderdale, Fla., reports that a great deal of interest has been shown in its golf car trailer. It

is a lightweight, all steel unit that has a drive-on tailgate for easy loading and unloading. The trailer will carry any type electric golf car. It has full leaf springs and is perfectly balanced for easy hookup. The trailer has a standard hitch, two pneumatic tires, safety chains and license bracket. Dealer and pro inquiries are invited.

Golf Pride Grip Cleaner

Latest addition to the product line of Golf Pride (Fawick Flexi-Grip Co., Akron, O.) is a unique grip cleaner.

It consists of a 3-in. square sponge pad treated with a detergent which dissolves all grease and grime. The back side of the pad is covered with an abrasive. The Golf Pride Grip Cleaner can be used to clean all rubber golf club grips. After being dipped in water the pad is used to give the grip a vigorous scrubbing. Then the grip is rinsed and dried and buffed with the abrasive side of the pad. It is said that the cleaning gives the grip a brand new feel. The pads also can be used to clean clubheads. They are packed in counter display, self service cartons.

T&T Arm Sling Practice Device Gets Big Showing at Winged Foot

John A. Topping of Golf Products Corp., 32 Elm St., Norwalk, Conn., demonstrated T&T Arm Sling practice devices at Winged Foot during the Open and sold a lot of them from Claude Harmon's pro shop tent. The device goes around the right elbow and has a cord connecting with the belt line. The function of the contrivance is to develop correct right arm action and a proper pivot. Jimmy Thomson and Claude Harmon are interested in the T&T Sling with Topping. Harmon uses it in practicing and teaching.

Large K & M Pipe Available

Keasbey & Mattison Co., Ambler, Pa., now has 14 and 16-in. dia. asbestos-cement pipe for use in pressure installations including irrigation systems. It comes in 150, 225, 325 and 450 ft. hds. and can be used in conjunction with smaller dia. K & M pipe.

Full-color illustrations of MacGregor's advisory staff are now available. Among recent additions are Wes Ellis, Marlene Hagge and Bob Rosburg. Reproductions are available from William H. Ford, MacGregor ad and market services mgr., Cincinnati 32, O.

Jacobsen Lawn King Is Walking or Riding Mower

The Jacobsen Lawn King is claimed to be ideally suited for large area mowing, particularly where the terrain includes slopes and terraces.

The 12A Model has a conventional "walk-behind" handle but may be quickly converted to a riding mower with addition of the Model 62 Riding Attachment or Model 15 Riding Sulky. It is powered by a 3 hp Jacobsen Hi-Torque engine, has a 26-in. cutting width and "Shear Cut" 6-blade reel. Its widespread wheel base gives the Lawn King remarkable stability on slopes or hills.

Swinging Around Golf

(Continued from page 69)

read a finer newspaper column on a pro than John F. Steadman, sports editor of Baltimore News-Post, wrote on Johnny Bass, pro at Baltimore's new public course, Pine Ridge . . . And a lot of pros will tell you there's no finer man in the business than Bass.

Alex Watson named supt. of Williamsburg (Va.) CC now under construction with Frank Durant in charge and pushing the work . . . Crestwood CC building course on edge of Chicopee, Ks. . . . Maintenance equipment once used on private 9-hole course on Doris Duke's estate given to Somerset County (N. J.) Park Commission for course now being constructed near Bridgewater . . . Duke course no longer used . . . Colonial CC, Memphis to build \$425,000 new clubhouse.

W. B. (Bill) Smith, Dick Watson and Mike Pascal building 18-hole semi-private Indian Bend CC course on 160 acres on desert north of Scottsdale, Ariz. . . . Ground on long term lease from Pima Indians . . . Course will have tees 50 yds. long and yardage from 6200 to 7000 . . . Large greens with Tifton 328 . . . Arizona Bermuda on fairways . . . double line watering system of Transite pipe and three

lakes . . . Course to be opened around Oct. 15 . . . Guest ranch later.

George S. May's Tam O'Shanter CC at Chicago announces that Joe Akai has been signed to a five-year contract as gen. mgr. at \$30,000 annual salary plus 10 per cent of net profit each year . . . Tam O'Shanter members contributed \$625 to pro Lou Strong at first tee on National Golf Day and May matched the amount.

Bessie Fenn, for 34 years mgr. of the Palm Beach GC, has resigned . . . She will continue to make her home in Palm Beach . . . She will play golf and travel . . . She probably is the first woman professional in the world . . . She became pro at Poinciana GC, predecessor to the Palm Beach GC, on the death of her father, Arthur, who was winter pro there starting in 1898 and for years summer pro at Poland Spring, Me. . . . She was a contestant in the Women's Amateur in the early 20s.

For sweet talking coneroo read some of the Florida subdivision ads telling about the golf courses the places are going to have (maybe) . . . Wonder what the United States Golf Assn. and the PGA "standards" are to which these dream courses often refer . . . Gerald Hall, pro at Willowick GC (Cleveland dist.), writes a good column on club grips as an instruction feature of "The Willowick Golfer."
