**Hogan Packaging Gives Protection
in Shipping and Display**

What is said to be the first protective club packaging using polystyrene inserts has been developed by the AMF-Ben Hogan Co. The design introduces a compact unit for packaging, shipping and display. The inserts are contoured, shaped and molded to fit the heads and shafts of Ben Hogan woods. The molds are placed in a sturdy corrugated box unit. The packaging units double as colorful point-of-purchase display pieces and clubs are removed from them and replaced with ease.

Mowry, Bondeson on MacGregor Staff

Larry Mowry, promising young Bonita, Calif., golfer, has joined the MacGregor advisory staff. A native of R. I., the 25-year old Mowry finished in the money in six of his first eight starts on the circuit this season. Another recent addition to the MacGregor staff is Paul Bondeson, 22-year old assistant pro from Green Acres in the Chicago dist. A virtual unknown, young Bondeson created quite a sensation by finishing second in the Doral Open this spring. He also has finished in the money in several other tournaments.

This Toro Golfmaster, with special turf tires, transports relief pitchers from the bullpen to the mound at Metropolitan Stadium, Minneapolis, home of the Minnesota Twins. Leon Gjertson (r), representing Toro, is seen with Bill Robertson, director of Stadium operation.

Stenhouse Febco Sales Manager

Bernard Stonehouse has been appointed national sales manager for Febco, Inc., 1993 Blake ave., Los Angeles. Seventeen distributors have been added in recent weeks by Febco, which is now expanding its distribution network. Stonehouse comes to Febco from Lasco Industries, Montebello, Calif., where he specialized in piping and irrigation systems for about 10 years.

Lady Bucknell Blouse Gives Free Swing Action

A leader in the Lady Bucknell pro shop collection of blouses for women players is Style No. 750, a sleeveless model especially styled for warm weather wear. Made of drip-dry cotton, it features an open-shoulder "sweetheart" styling for complete swing freedom. The blouse is available in a dozen different colors and in sizes, 8 to 18. Information as to prices, swatch chart, etc., can be obtained from Lady Bucknell, 320 Fifth ave., New York 1.

Bowers Battery Operates New Plant in South Carolina

A 65,000 sq. ft. battery plant in Greer, S.C., built by General Battery and Ceramic Corp., Reading, Pa., was dedicated in mid-June and now is manufacturing at near capacity. The million-dollar plant is operated by the Bowers Battery and Spark Plug div. of General Battery. It has a production capacity of 2,500 batteries a day and ultimately will employ about 140 people. James Talbert is manager of the plant which specializes in lead-acid replacement units.

Sales Aid Program

Consolidated Pipe Co. of America, 1530 Commerce dr., Stow, Ohio, is in the midst of a comprehensive distributor sales aid program that is being carried out in seven phases. The company produces six types of flexible and rigid plastic pipe and nylon inserts. The sales aid program takes in use of floor displays, sales kits, catalogs, ad mats and other material.

Swinging Around Golf

(Continued from page 80)

didn't draw one letter or card against the proposal . . . All those who "spoke up" favored the new and more appropriate title . . . Several commented that USGA wasn't any too careful in labeling its Public Links tournament as a "links" traditionally is a seaside course . . . Of course, this is purely academic.

Ed Creasy, Sr., construction supt., Cherokee Village C&CC, Hardy, Ark., will continue with the club as pro-supt. . . . **Joe Lopez, Sr.,** is summer pro and golf director at Doral CC, Miami, Fla. . . . **Thomas A. Caranci** now supt. new El Dorado Hills CC in Sacramento area . . . **Fred Challen** now pro at Shawnee CC, Lima, O.

Leon Pounders pro at E. H. Irwin's new Chapel Hill CC, Omaha . . . Pounders continues to operate his range and is adding Par-3 holes there . . . **Buck Adams** now pro at Beeford (N. Y.) Golf & Tennis Club . . . **Eddie O'Donnell** is pro at recently opened Atlantis CC, Tuckerton, N. J. . . . **Ronald Sathoff** succeeds

Jack Gage, resigned, as pro at Burlingame CC (SF dist.).

Steve Doctor now pro at Cedar Brook (N. Y.) CC . . . **Eddie Hurz** has sold Marshfield (Wis.) CC to Elmer Cornelious . . . **Eddie Williams** is back in active pro work . . . The former Senior PGA champion is summer pro at Crystal Downs CC, Frankfort, Mich. . . . **Bob Marshall** retires after 32 years as pro at Bala CC (Philadelphia dist.) and is succeeded by his assistant, **Henry McQuiston.**

Gulf Hills Dude Ranch & CC, Ocean Springs, Miss., sold to Leslie Spencer and associates who plan extensive improvements . . . USGA Women's Open in 1964 goes to San Diego CC, Chula Vista, Calif. . . . The National Open in 1964 will be at Congressional CC, Bethesda, Md. . . . Now that citizens of Omaha have passed a \$1 million bond issue for parks and recreation, city will get an 18-hole course . . . **Robt. McKinnon** is supt. of recreation for the city.

Now with
a 5-year
guarantee*

**WE'RE SO CERTAIN THIS BATTERY
WILL BOOST YOUR GOLF CAR PROFIT
WE MAKE THIS OFFER:**

- 1 Try the Exide Golfer 48 in your golf cars on a lease basis. You don't invest a single penny of cash.
- 2 Pay only \$5.82 per month per car. That's less than average income from just one 18-hole round. It's almost like getting your battery power free.
- 3 Power is guaranteed for 5 years. If a battery should fail during that time (very unlikely), Exide will replace it at no extra cost to you.*
- 4 Of course, you can buy the batteries instead, if you like. The bigger your fleet, the more extra profit you make with Exide Golfer 48 Batteries. They give you at least 36 holes per charge on average courses. Guaranteed 5-year service life.* Outlast five ordinary batteries. Need less upkeep. Write for details. Exide Industrial Marketing Division, The Electric Storage Battery Company, Philadelphia 20, Pa.

*Dependent on proper use of battery and use of approved charging equipment
