Swinging Around Golf

(Continued from page 117)

of the Chicago Dist. GA, was named an honorary member of the Illinois section . . . She is the first woman to be so

honored by any PGA section.

The 1964 USGA Public Links Championship will be played at Francis A. Gross GC in Minneapolis from July 13 through the 18 . . . 1963 tourney is scheduled for Haggin Oaks muny in Sacramento . . . Miss Bertha Wolf, who died in Sept., was buried on the sixth fairway of the American Legion GC in Edwardsville, Ill. . . . There are 14 graves on the site ... Golfers play around the graves which are marked by one large stone . . . When the Wolf family sold its farm for a course in 1922, it was agreed that all members of the family would be buried there . . . A total of 112 supts. and other turfmen attended the Iowa State University field day held in Ames in mid-Sept.

Miller Barber, assistant at Apawamis, beat Tom Nieporte of Piping Rock in a playoff to win the Metropolitan GA Open in Sept. . . . They were tied at the end of 72 with 282s . . . Tony Manero, one time Open champion, is cruising the South Seas on the Matson liner, Monterey, teaching golf to the passengers . . Trenton (N. J.) CC pro, George Milne, labeled all his driving range balls "Stolen from George Milne" . . . Whether or not it was a good thing that he did is debatable . . . At any rate, 2,500 of them were stolen from his shop in Sept.

Stanley H. (Stan) Graves, one of the country's best known supts., died early in Sept. in Fairview Park Hospital in Cleveland . . . He had been the greenmaster at Westwood CC in Rocky River, O. for 13 years and before that was at Hillcrest in St. Paul and also was in charge of the muny courses in Indianapolis . . . A native of Iowa, Stan was graduated from the University of Minnesota in 1926 with an Engineering degree . . . During World War II he served in the Army Engineer Corps . . . He became well known to supts. throughout the country because of the skits he and O. J. Noer staged at several GCSA national shows.

Jacobsen

The new Jacobsen "321" Greensmower is the standard of excellence for truly fine greensmowing. Listen to the purr of its reel. Feel the Greensmower's perfect balance. See the improved performance of its new Jacobsen "321" engine . . . longer plug life, minimum exhaust, greater low-speed power—uses 50% less oil! Compare the Greensmower's day-in, day-out reliability for the smoothest putting carpet at the lowest cost per square yard. Phone your Jacobsen Turf Equipment Distributor for a demonstration or write today! Jacobsen Manufacturing Company, Dept. G-10 Racine, Wisconsin.
