Wilson's Golf Contributions Covered in New Brochure

As part of its 50th anniversary promotion, Wilson Sporting Goods Co., 2233 West St., River Grove, Ill., 60171, has issued a 16-page brochure covering its contributions to the golf industry. Included are background information on Wilson's exclusive Reminder-Grip, "Goose-Neck" irons design, matched shafts, Strata-Bloc construction, the Staff ball, Dynapower design and others. Wilson makes the brochure available in quantity as an effective handout or mailing piece for the pro shop,

International-Harvester Introduces Cub Cadet

The Cub Cadet 100, a new addition to the tractor line manufactured by International-Harvester Co., 108 N. Michigan Ave., Chicago, Ill., has wide traction tires and a 42-in. rotary mower for cut-

ting large turf areas. The wide traction tires are said to be easy on the turf because they provide better flotation and spread the weight of the tractor over a large area, causing less compaction.

Nutro Doesn't Burn Turf

According to Smith-Douglass, Norfolk, Va., Nutronic organic fertilizer and Nutro plant food crystals can be applied at any time without fear of burned or browned turf. Nutronite is easily spread in its solid state and slowly releases allorganic nitrogen without objectionable odor. Nutro plant food crystals dissolve in water and may be applied through sprinkler systems.

Represents Product Engineering

Sidney Margolis was recently appointed sales representative for the Product Engineering Co.'s new line of golf carts, the Corsair and Caravan. His territory is the state of Michigan,

Two Vice Presidents Named by Charles A. Eaton Co.

The Charles A. Eaton Co., Brockton Mass. has announced two vice presidential appointments — those of Robert A. Eaton in charge

Eaton

Cumming

of marketing, and Charles Cummings in charge of the golf division. Eaton has been with the firm in various capacities since the mid-'40s while Cummings joined the Etonic division three years ago, Prior to joining Etonic, Cummings was with Wilson Sporting Goods Co. as a salesman and district sales manager. The entry of Etonic into the golf apparel field was directed by Cummings as is the enlarged sportswear line planned for the 1964-65 season.

Certain-Teed Breaks Ground for California Plant

Construction began in July on a new plant of Certain-Teed Products Corp., near Riverside, Calif. Malcom Meyer, president of the firm, Robert A. Schneider, chief engineer of Certain-Teed's pipe division, and Richard Chewning, president of Republic Supply Co, of Calif. officiated at the ground-breaking ceremonies. Republic Supply is the authorized sales agent in the area for Certain-Teed asbestos-cement pipe products.

Cushman Names Carl E. Keiser Western Regional Sales Manager

Carl E. Keiser has been promoted to western regional sales manager of Cushman Motors Lincoln, Nebr. Since 1962, Keiser had been

Lincoln, Nebr. Since 1962, product application manager for the firm. In this position, he provided technical assistance to Cushman customers and dealers. Prior to 1962 he was a district manager in charge of the sale of industrial, commercial and golf vehicles in Nebr., Ia., and Mo. Keiser now directs sales of all Cushman vehicles in the western half of the U.S.

Pros Compete in July for Hogan Design Board Berths

Qualifying tourneys for the Ben Hogan Design Board tournament, to be played at Shady Oaks CC, Ft. Worth, Oct. 13-16, were held at more than 20 locations in July. First place winners in the elimination rounds won \$250 and all-expense paid trips to Ft. Worth for the Hogan championship. Prizes in the finale will range from \$3,000 to \$100. The Hogan design staff is made up of 297 pros in all parts of the U.S.

Masterpiece and Turf-Kare Kar **Described in Laher Brochure**

Laher Spring & Electric Car Corp., 2615 Magnolia St., Oakland, Calif., has issued a brochure covering its line of electric golf cars. The Masterpiece is claimed to be one of the safest, most comfortable, easiest riding cars ever produced. The Turf-Kare Kar, equipped with 15-in. tires, is safe on turf that's too wet and soft for foot traffic, according to the firm. Turf-Kare Kar is recommended especially for clubs where rains and coastal fogs are prevalent. Both models are powered by Laher's own 190 or 230 amp batteries, designed exclusively for electric golf car operation over 36, 45 or more holes.

Mecopex... MCPP

the Selective Weed Killer

FIRST FROM MORTON CHEMICAL

Mecopex seeks out and destroys unsightly weeds, without injuring fine turf grasses. It's the safe, sure way to protect the beauty of your golf course—and your turf investment. A new, highly selective chemical in Mecopex—MCPP—attacks weeds at the root for sure control. Especially effective against weeds like clover, chickweed, knotweed and plantain. Mecopex has proven harmless on many grasses including Penncross, Washington, Toronto, Seaside Bent, Kentucky and Merion Blue. Treatment will not only prevent the spread of ugly weed patches, but can save hundreds of dollars in reseeding costs.

Mecopex is easy to apply with any standard spraying equipment.
