## The Elements of Leadership

GOLF Magazine, the world's largest selling golf publication, takes a strong position with regard to the future of the game and its players. GOLF is the only publication of its kind with a continuing program of junior instruction, directed by its Staff Director of Junior Instruction, Bobby Nichols.

GOLF's regular series of reports by Maurie Luxford, well-known authority on junior athletics, offers blueprints and guide lines for successful junior golf program on a local level.

Such are the responsibilities—and the opportunities—that go with leadership.
