

The five leading golf balls

only one is
registered

Registered Royal.

The center, the cover, the windings—even the paint—for a Royal® golf ball are all specially made by Royal's own golf ball craftsmen. That way, *absolute* quality control can be maintained. That way, a ball has a chance to pass the incredible standards it must meet before it can be registered.

If a ball does pass, its registration number becomes proof. Proof that no ball is made more carefully—proof that no ball will give greater distance and accuracy.
