Continued from page 91

the former Rolling Hills as a public course known as Applewood CC... Root is a first class golf businessman who has made it a point to know more than the pro department operations at a club... Bill Farkas leaves Black Mountain CC, Henderson, Nev., to join pro staff at Desert Inn CC, Las Vegas... Bob Day succeeds Farkas at Black Mountain.

Fred Billings, basketball coach at Kincaid high school in Houston, has arranged a golf school for youngsters at Fairway Farm course near St. Augustine, Tex., July 14-19 and July 21-26... Pro instruction in shooting, fishing, swimming, water skiing and other sports also on the program... \$125 a week includes everything... These schools remind us of what a tough job it was in the early days of the National Golf Foundation to promote golf in high schools by providing golf instruction to scholastic coaches attending summer coaching schools... Many fine pros volunteered their services at expense and sacrifice of time to themselves and did a great deal to establish the sound base on which high school and collegiate golf has grown.

Larry Willige switches from pro job at Pinecrest CC, Pelham, Ga., to become pro-superintendent at Redstone Arsenal course, Huntsville, Ala... Wallace Martin, pro at new Foxfire CC, near Pinehurst, N.C., with Vic Sorrell, Jr. as assistant... Gene Hamm designed the course... John J. Nixon now manager, Pine Valley CC, Ft. Wayne, Ind. □
