

Champion Doo-All Trailer

WITH **INTERCHANGEABLE**
FLAT BED OR HOPPER

HERE IS THE ANSWER to your problem of moving heavy materials around your golf course.

Champion Doo-All Trailers, equipped with 1-cu.-yd. hopper and interchangeable flat bed, can help you do a hundred jobs more quickly and efficiently.

With the hopper in place, you can haul sand, top dressing, or any bulk load to where it is needed on the course. Lift off the hopper, remove four bolts and put the flat bed on, and you have the perfect vehicle for those many hauling jobs (sacks, drums, benches, debris) that come up throughout the year.

TERRA-TIRES Protect turf from rutting . . . Big, easy-rolling Terra-Tires spread the load over a 48" width of ground. You get the work done when needed without added problems of turf damage or ruts.

For big bulk loads, there is a Champion Trailer with 2 cubic yard hopper — See your equipment jobber or write for details.

THE CHAMPION COMPANY
SPRINGFIELD, OHIO 45501

NEW PRODUCTS

Miles Laboratories, Inc., offers Sungard Sunscreen Lotion which blocks the sun's rays in the wavelength most damaging to the human skin when used as directed.

Circle No. 101 on reader service card

Silver King Division, Stevens-Lee Company introduces three new models of portable and matched under-counter refrigerators, freezers and sandwich/salad units. The Model SKTTR-7 refrigerator has two adjustable

and removable shelves for loading flexibility. The Model SKUCF-7 freezer matches the refrigerator in size and appearance. The Model SKSB-7 sandwich/salad bar has six stainless steel salad pans, a removable and reversible hardwood cutting board and a full-width crumb catcher at its top.

Circle No. 102 on reader service card

American Floor Products Company offers an all vinyl rack-like sauna matting for use in locations where open drainage is desired. The Sauna Vinyl Mat is resistant to acids, grease and alkalis and is slatted for drainage and aeration. The Mat comes in a variety of colors with standard roll widths approximately 20, 30 and 40 inches and standard 40-foot lengths, although special lengths can be manufactured.

Circle No. 103 on reader service card

Brillion Iron Works, Inc., introduces the Terra-Scraper Land-scape Tool—a rake that works the soil, grades, levels and finishes. The optional gauge wheels can be mounted in three positions for regulating working depth and easier maneuverability. Additional options include a two-edged, double-life grader-scraper blade with or without end boots for additional blade capacity, and a scarifier for ripping and loosening sod, ridges and packed ground prior to grading. The Terra-

Scraper is available in six and eight foot three-point pick-up models for use with Category I tractors.

Circle No. 104 on reader service card

Thunderbird Container Corp. introduces a two-ounce portion control cup made of styrene with a snap-on lid in either white polyethylene or paper tabs. In addition to the new two-ounce cup, Thunderbird offers 1 1/2 ounce, one ounce, three-fourths and nine-sixteenths ounce cups.

Circle No. 105 on reader service card

Marlin Mfg. Corp. introduces a wall-mounted, food temperature measuring device that provides a precise, instantaneous internal temperature reading of any cooking food—no matter where or how it is cooked. Designated Tend-R-Cator, the self-powered unit measures food temperatures to within $\pm 3^\circ\text{F}$ and produces a readout on a large meter scale.

Circle No. 106 on reader service card

GBC Closed Circuit TV Corp. has developed MINI-CCTV, a CCTV system with built-in two-way sound. The MINI-CCTV comprises a tiny camera, a five-inch monitor and a 30-foot interconnecting cable. It can be installed by plugging the monitor into an AC wall socket and connecting it to the camera by means of the cable. The two-way sound is controlled from the monitor, giving the user the option of listening to sounds from the camera location or turning them off. The MINI-CCTV lists for \$350.

BUY GIANT-VAC GET GIANT ECONOMY

GIANT-VAC universal P.T.O. unit converts to
blower, vacuum, thatcher, truck loader . . .

As double headed blower . . . to truck loader in 30 seconds

Exhaust velocities exceeding 250 M.P.H. rapidly clean a large turf area. By flipping one tractor operated lever, the air discharge is changed from left to right allowing constant windrowing regardless of tractor direction. Special features allow converting to a Truck Loader in 30 seconds, as shown.

As vacuum, thatcher and truck loader . . .

Vacuums a 6 foot swath and thatches large acreage at the same time. Truck Loading hose attachments may also be added to this combination. A variety of self-dumping trailers are available.

GIANT-VAC offers a P.T.O. driven power unit which performs many functions. Propelled by a standard tractor, this unit with available accessories is versatile and efficient. It can be operated as a double headed blower, cleaning many acres per hour. Attachments are available which convert the Blower to a Truck Loader in less than a minute. This P.T.O. unit is readily changed to a 6 foot vacuum machine. A Thatcher can be added to the vacuum head. Thus, large areas may be thatched and efficiently vacuumed at one time. Other attachments are also available, as well as, an assortment of debris collection trailers.

Other Giant-Vac products include . . . Truck Loaders from 12 to 65 H.P. . . . Giant-Blos from 5 to 65 H.P. . . . Giant-Vacs from 5 to 10 H.P. . . . Thatchers . . . plus many standard accessories to custom-fit your needs.

THE ONLY FERTILIZER PACKET SYSTEM

Unmatched for long term feeding

The fertilizer packet is a system of fertilization. It offers plant nutrients to the target plant in such a way that nutrient loss is minimized, nutrient utilization is maximized, fertilizer damage to the plant is averted, and costs of labor and supplies are reduced.

Can you imagine — no maintenance, no labor expense for 1, 3, 5, 8 years, no burning, no waste, no mixing, no measuring! You don't lift one finger, ever, for fertilizing, only one green thumb for counting your dollar profits.

RED RIDER...

First in the 70's!

*with new ideas for
turf utility equipment*

NEW...an even better Red Rider!

More driver comfort . . . ten new features. New drive chain take-up for longer chain life. Most reliable, most dependable work cart in the country. First in the 70's!

NEW...Red Rider's Spray-Mate!

An all-new, low volume sprayer for greens, tees, trees. Spray-Mate is a self-contained, 4-wheel, piggy back sprayer that needs only *one* man to load and operate. Fifteen-foot boom and fifty-foot hose with nozzle included. Has 65-gallon fiber-glas tank, pump that generates 500 psi.

NEW...“Big Red” – an even bigger Red Rider!

Extra-wide Red Rider carries more men and equipment to more places with fewer trips. BIG RED easily handles the widest aerator or three greensmowers on its 56" broad deck. It's the *biggest* machine and *biggest* bargain on the fairways. BIG RED costs only slightly more than our regular RED RIDER.

All Red Rider utility equipment is designed, engineered and manufactured solely for golf courses and other large turf areas.

new Lewis fluorescent flagpole spots cup on green from 150 yards out!

Ken Voorhies, Greens Superintendent of Columbine Country Club, Denver, Colorado, site of the 1967 PGA Tournament says: "Lewis Fluorescent Poles caused a lot of favorable comment from the pros. Our members appreciate their vertical attitude and exceptional visibility".

Lewis leads again! The new Lewis Fluorescent high-visibility Flagpole adds a new dimension to golfing skill and pleasure by pin-pointing the exact location of the cup on the green.

The fire-orange Day-glo® paint used on the Lewis Flagpole casts a halo around the pole from 100-150 yards out. This gives it increased thickness and size to players approaching the green and prevents "fade out" against a bright sky or under hazy conditions.

Ken Voorhies uses a triangle to demonstrate the vertical position of the new Lewis high-visibility Fluorescent Flagpole.

There's a Lewis Flagpole for every course use...

All Lewis Flagpoles come in a variety of colors, heights and patterns for directional, green or marking needs. Their fiberglass construction makes them lightweight, flexible and almost indestructible in high winds.

Lewis Flagpoles swivel-top assemblies are made of hardened aluminum with a special washer and screw to resist corrosion, reduce wear and lengthen life. Write today for the Lewis Line Golf Course Equipment Catalog.

Chamfered Ferrule & Cup—Advanced design of new Lewis 34° chamfered pole ferrule and matching chamfered cup, sets pole firmly in socket, holds it rigid on windy days.

Deluxe "No-Splash" Washer—Nylon brushes — stainless steel rods — no-pilfer handles — neoprene gaskets — these quality features of the GF-52 Washer assure long life, low maintenance.

Highland Bent the NATURAL TEE

Highland Colonial Bent is the fine-bladed luxury grass that provides the thick, deep green carpet demanded by today's golfers.

In a mixture or alone, Highland Bent helps provide that natural tee your golfers want. Remember, Highland is one of the most economical of the fine-bladed grasses.

It is adaptable to a variety of climates and soil conditions and will thrive at its ideal cutting height of $\frac{3}{4}$ inch or even when close cut to $\frac{1}{4}$ inch.

With 8 million seeds per pound, you have a great potential number of plants. Drop us a note for free literature on cultural practices as well as a brochure that answers most questions about Highland.

Just possibly, Highland Colonial Bentgrass is the greatest value in grass seed today!
