

MEET THE NEW CLUB PRO.

From the first to the 18th hole. From greens to collars to tees, this special golf course mower will give you a beautiful even cut.

The Greensmaster® 3 has hand operated height of cut adjustment, and a quick 15-inch turning radius. Less than half that of any other triplex greensmower.

It has large Terra Tires that distribute its weight evenly to prevent turf marring. And simplified operator controls, well marked and spaced. For maximum driver comfort, a soft, vinyl covered adjustable seat.

See the Greensmaster 3 complete with customizing accessories at your local Toro Distributor.
