REALTY CO.

## 18 HOLE GOLF COURSE

Night Club and Development Area 186 acres in all. Located near the cross roads of Michigan. Watered greens and fairways and 1 1/4 miles of road frontage with city sewer available are just a few of the many fine points of this opportunity.

Night club features live entertainment six nights weekly and is expected to gross over \$200,000.00 in 1974.

## CONVENIENT SHOPPING

For more information about the products advertised in the pages of GOLFDOM—use the postage-paid Reader Service Card in this issue. Just circle the number appearing in the ad on the Reader Service Card, which you will find in the front of this issue.

## OUTDOOR WATER COOLING

for golf courses, tennis courts,  
recreation areas.

### AQUAMASTER

Electric water cooler.

The only one that operates over one mile (2000 yards) on underground 115 V AC power. No high lines mar the beauty of the course. Uses existing 115 V power on course (Club House, Maintenance Building, Irrigation System). New patented hi-capacity cold drinking water system for foursome after foursome.

### SAFARI Gas-Fired Water Coolers.

(No electricity required)

Cold water where you want it. Costs less than 10¢ a day to operate.

## A PROPOSITION FOR GOLF COURSE ARCHITECTS

We'd like to prove what we consider a fact: That a Royer "362" Shredder-Mixer is the most productive; most efficient equipment available for preparing top-quality, on-site soil mixes. Here's our proposal. We'll demonstrate a Royer by either (1) bringing a Royer to you, or (2) taking you to a Royer. Either way, there's no obligation. Phone Charlie Otto at 717-287-9624. He'll make the arrangements. Royer Foundry & Machine Co., 172 Pringle St., Kingston, Pa. 18704.

The culmination of nearly  
100 years of club making

# ELITE CENTURION

These are, quite frankly, the finest golfing instruments ever created by the most experienced club makers in the game — Spalding.

Elite<sup>®</sup> Centurion brings together performance-proven club characteristics, the most modern design and production technologies, plus, the distinct mark of craftsmanship at its best. Confidence in play. Pride in appearance.

- Investment cast irons.
- Radiused and cambered sole.
- Low center of gravity.
- Short hosel.
- Slightly offset blade.

Woodheads designed for and proven in play by Spalding's Touring Professional Advisory Staff.

- Medium-deep faced driver.
- Shallow faced fairway woods.
- Unique brass back-weighting.
- Low center of gravity.
- Precision swing weight.
- Precision total weight.

Simply stated, these are the most playable clubs the game has ever produced.

More than clubs, Elite Centurion is an approach to the game. They are, of course, sold only through golf professional shops.
