

# Distinctive motor cars. They say a lot about your club.

And Harley-Davidson gas golf cars reflect both your interest in golfers—and in sound club management.

Like other exclusive cars, Harley-Davidson 3 and 4-wheel golf cars are beautifully engineered and built with care. They have a distinctive style and character all their own.

They also feature fine car suspension, positive braking (disk brakes of course) and effortless

steering. And as you'd expect, the ride is stable and comfortable, pampering golfers and fairways alike.

Quiet? Whisper-quiet. Engine sound is barely audible. And it automatically shuts off the instant you step out to play. Nothing to disturb anybody's game.

What's more, once you fill the fuel tank, the Harley-Davidson is set to go for at least 16 rounds. A full 288 holes. Or more.

It's all here. Luxury car quality, quietness, reliability and expert dealer support. Plus the important

options you expect from the leader. All sound reasons why Harley-Davidson gas golf cars are the best selling in the world.

And sound reasons why you should consider them for your club.

See your Harley-Davidson dealer now. He knows all about fine cars.
