

## **WE'LL HELP YOU IMPROVE POND AND LAKE WATER QUALITY... BEAUTIFULLY.**

With an Otterbine<sup>TM Reg.</sup> floating aerator or Spray Sculpture<sup>TM</sup> floating fountain.

These self-contained water quality improvement systems help you keep unsightly algal growth and objectionable odors under control naturally, without costly chemicals.

And their sparkling spray displays may dramatically enhance the natural beauty of your ponds and lakes.

Call us toll-free at (800) 523-9484 for your free copy of our new brochure. It may help you solve your water quality problems beautifully. **RODALE RESOURCES INC.**
