

# IN GOLF CARS, AS IN GOLF, THE DIFFERENCE IS THE ABILITY TO PRODUCE UNDER PRESSURE.

At Harley-Davidson®, we've meticulously crafted one of the industry's finest gas cars. We've just as carefully crafted something else—America's only true dealer network. To you, that means close-by, immediate service... the ability to respond quickly to the needs of your course and its members. And it means never having to deal with a "regional sales office" during a crisis.

So call your dealer today. He'll give you the details on our prestigious three and four wheel gas cars, and our unique support ser-

vices. Details like bucket seats engineered without seams, so water can't collect and linger. No-rust fiberglass bodies that retain their original elegance for years. With an engine specifically designed and built by Harley-Davidson for the special power, quiet and comfort demands of the golf course.

Let him explain everything: from fleet planning and financing through our extensive warranty. After all, odds are this one's a local call.
