PENN A-4: MAKES LIFE EASY!

"Arizona climates are demanding. Since regrassing our greens with Penn A-4, we've had 100% member satisfaction. And now that we have tournament quality conditions, green speed is no longer an issue. In fact, A-4 has made my life so much easier, it's the only grass I would consider for greens."

Superintendent Phil Shoemaker, Desert Highlands

LESS FERTILIZER, LESS FUNGICIDE,
LESS WATER... MORE FORGIVING.

DO THE MATH.
