

BASF Means Better Performance...Which Means

**better
TURF™**

(And everybody loves better turf.)

Supers have told us the future of the industry depends on innovation. So you'll be glad to know that in the last five years alone, BASF has invested more than a *billion* dollars researching and developing effective solutions worldwide. That's not only good for the industry, it's good for you. After all, those solutions mean you can give your golfers better turf (and maybe even an autograph or two).
