

WHO IS THIS SUPERINTENDENT?

Hint: He relies on Raven® fungicide.

Enter our “Name That Super” contest!

You could win \$1,000 worth of Phoenix Environmental Care products for your course just by naming the mystery superintendent in this picture. **Simply visit www.NameThatSuper.com/GD and take a guess.** While you're there, learn more about Raven® fungicide (Iprodione) and view the academic research that demonstrates how quality products from Phoenix Environmental Care can outperform original chemistries.

Here are a few more clues:

Course Location: Highland Park, Illinois

Year Course Opened: 1916

Hobbies: Archery and Hot Rods

Preferred Product: “We had a Dollar Spot problem here the last two or three years and we've been able to eliminate that problem using a combination of products, including Raven® fungicide. With Phoenix Environmental Care, you get the exact same result as using the original chemistry for a reduced price...it should be a no-brainer to people.”
