

It's all teed up and ready to go.

All the benefits of CIVITAS™ in an easy-to-use, pre-mixed formulation.

Pre-mixed CIVITAS ONE* makes it even easier to benefit from the many strengths of CIVITAS. Research-proven to strengthen plant health, user-proven to deliver top quality turf – CIVITAS ONE empowers turf to reach its full potential. Through its research-proven multiple modes of action, it boosts the plant's immunity, and overall development, making turf healthier, stronger and better able to defend itself against disease, insects and the elements. Plus it improves drought resistance by enhancing turf's root structures so it requires less inputs, such as water.
