5. Polar Trac

When the snow starts piling up, the Groundsmaster 7200/7210 Polar Trac system from **THE TORO CO.** is a superintendent's best friend, the company says. Heavy-duty rubber tracks and a heated hard top cab with roll-over protection ensure that not only will the job get done efficiently, but also in comfort. Equipped with a Kubota three-cylinder, liquid-cooled diesel engine, the 7200 makes quick work of tough jobs.
toro.com

6. Prodigy

The Prodigy features a patented mechanical wing designed to automatically position the blade wings for maximum plowing efficiency. The multi-position blade is equally adept at straight-ahead scooping or angled windrowing and is as easy to operate as a straight-blade plow. The Prodigy,

from **WESTERN PLOWS**, is available for trucks and skid-steers. When the plowing angle changes, the unit's wings automatically transform to the most efficient plowing configuration.

7. Power Pusher

The **BLIZZARD** Power Pusher box plow is the company's newest unit. Built for skid-steers, wheel loaders and loader backhoes, it features fully welded construction, a reversible rubber cutting edge and abrasion-resistant high-strength wear shoes. The Power Pusher is available in seven size options ranging from eight feet to 16 feet.

// GRINDERS

1. Anglemaster 4000

The Anglemaster 4000 from **BERNHARD AND CO.** grinds bedknives up to 40 inches long to tolerances within one thousandth of an inch. Grinder comes standard with the firm's new Super-Blue grindstone which are to grind the hardest bedknives longer, harder and cooler. The 4000's operator panel has color-coded function buttons. Along with the digital angle setting and read-out of current and desired angles with auto-cue, all make for simple, error-free operation.

2. 555 SRI

The 555 SRI grinder from **NEARY TECHNOLOGIES** allows for both automatic spin and relief grinding with one easy setup. The hands-free operation during the relief grind allows the operator to perform other tasks while the machine does the work. One-hp motors operate at 3450/2875 RPM. Multi-position brackets for supporting the reel by the frame, and "V" brackets for supporting the front roller during setup make reel placement easy and repetitious. Unit's control console is right out front where the operator has easy access to variable speed spin and traverse controls.

TRANSFILM®

IT'S KIND OF LIKE THAT.

Winter sucks. Literally. It sucks the water out of your turf, shrubs and ornamentals. It's called desiccation, and it can be brutal. But you can help stop it with TransFilm® Anti-Transpirant & Sticker from Gordon's®.

TransFilm reduces desiccation by coating grass, shrubs and ornamentals with a thin film that creates a water-impermeable layer. That protection helps plants start the spring healthier, with enhanced plant vigor and an earlier green-up.

Don't let winter suck the water – and life – out of your turf, ornamentals, and shrubs. **Protect them with TransFilm.**

The 19th Hole

Kevin Robinson

CGCS // Course No. 2, Pinehurst Resort, Village of Pinehurst, N.C.

So what is your drink of choice after 18 holes of golf? Hopefully my assistants are buying me a fatty Natty after I've just got done beating them at golf!

Who is the most competitive guy on your crew? It's a three-way tie between me and my two assistants, John Jeffreys and Alan Owen. John probably has the lowest handicap. Him and Alan are always partners when we play. They don't get beat too often. They play brother-in-law golf too well.

What kind of clubs do you play? Taylormade R11 irons. My wife used to work for Taylor-made, and got them for me for my birthday.

So what was your first thought when you found out Pinehurst No. 2 was going to host back-to-back Opens in 2014? "Holy (crap)," immediately followed by "What an opportunity." I mean, what better place to do it? The place, the community, the property, the history, everything. It's going to be a huge challenge, but I'm looking forward to it.

OK, time to get totally random. I'm sure you're sick of 2014 Open questions by now... How about, favorite Schwarzenegger movie? "The Terminator."

If I were to grab your iPod, what would be the first

"BACK-TO-BACK OPENS IS GOING TO BE A CHALLENGE, BUT IT'S ALSO A ONCE-IN-A-LIFETIME OPPORTUNITY."

band to pop up on shuffle? You mean if one of my three kids didn't have it right now? Probably Zac Brown Band, or Toby Keith.

Who are your teams? The Atlanta Braves and the Carolina Panthers. The Panthers need to start winning against good teams.

You're on Survivor and it's down to you and one other contestant. What game do you hope they call out so you know you'll win the cash? Cornhole.

If you could grab lunch with any celebrity from the 1980s, who would you choose? I'll go with Daisy Dukes.

What's the oldest T-shirt you own, and how has it made it this long? I just recently retired my high school state wrestling tournament shirts. I kept them around because of all the sweat and tears that went into that.

Did you have a successful wrestling career? Yeah! I was a semifinalist two years in a row in 4A, my junior and senior years.

Do John and Alan know this? That you're capable of putting them on the ground at any moment? You know, I haven't had to resort to that... yet.

As interviewed by Seth Jones, November 6th, 2013.
