#### THE PRESIDENTS MESSAGE

Have you ever been proud of yourself? Have you accomplished a job and it turned out better than anticipated? At any rate I believe we all have a certain amount of egotism in us. This is good, because without it, it would become quite a hassle to be a success at this profession. You have to make a believer out of the people that are directly involved with the golf course superintendent. This is where your ego is involved. Be a proud man and let people know about it.

With this last issue of the season, I would like to express my gratitude to many people involved in the WGCSA. Mr. Dan Quast, who put many hours in this news letter and made it become a success, certainly can be proud of himself. The committees that were appointed did a marvelous job throughout the season. Jim Belfield and his golf committee have a good thing going on the handicaps, which took a lot of work to get together. Howie Olson who spent many hours organizing our dinner dance. Wayne Otto and his educational committee, organized and got together a group of speakers that were of great importance to our meetings.

All in all, I believe the organization has rolled along relatively smooth throughout the season. This could only

have been accomplished by the super work that has been done by the people that got themselves involved. Thank you all for the role that you have played.

Al Vrana,  
President

From the Golf Committee:

Our Annual Tournament was held at Ives Grove G.C. on Sept. 8, 1975. We had a good turnout, and all involved made the tournament a big success.

Ray Mertens was out Host and he did a great job preparing his course for us. It was "Super".
